INTERNATIONAL ARTIST MASTERCLASS PROGRAM

WASO is delighted to invite students in **Year 7 to 12** to apply to participate in the **International Artist Masterclass Program with Grace Clifford**. This is the first time this program has focussed on secondary school students, and is a unique and outstanding opportunity. Grace is quickly gaining a reputation as one of Australia's finest young violinists. At the age of 19 years old, she is entering her fourth year in the Bachelor of Music program at the Curtis Institute (USA), studying with Pamela Frank and Ida Kavafian and, immediately prior, with the late Joseph Silverstein.

"Clifford's depth of musical maturity is way beyond her years." - **Limelight Magazine**

Information for Applicants

The Masterclass will be presented at Callaway Auditorium, The University of Western Australia Conservatorium of Music on Wednesday 29 August, from 6 - 8pm.

Prospective participants are required to be currently studying music at **AMEB Grade 6+** (or equivalent). Enrolment in school-based music programs including WACE/ATAR music is highly encouraged, but not required.

A maximum of three (3) participants will be selected through a panel review process for each Masterclass. A variety of considerations will be taken into account in the selection, with the view to presenting a wide-ranging program.

Where applicable, participants will be responsible for engaging and providing (at own cost) an accompanist.

Successful applicants will be allocated 30 minutes which will comprise performance, alongside discussion and workshopping of presented work, and other technical/musical/artistic considerations as part of a public masterclass.

Applications can be lodged by email or postal mail, and receipt will be acknowledged in writing by email. If you do not receive an acknowledgement of receipt prior to the deadline, please contact WASO as below to confirm. Please note, no late applications can be accepted.
